at Bangalore and to the London Mission Hospital at Chickballapur. Para 68 of the Admn. Report of the Excise Dept. for 1911-12 contains the details regarding such issues. Permission has also been given to Mr. Lewis Moses of the Mysore Chemical and Pharmaceutical works to purchase alcohol from Govt. at half the actual rate of duty.

FILE No. 64
SERIAL No. 9

Sir,

I have the honor to state that an instance of importation of ethylated spirits from Bangalore Cantonment to the Palace without the necessary permit after payment of the prescribed duty having come to notice, an enquiry was instituted and it was ascertained that the supply to the palace was made through the local contractors of the Kothikhana, who not only got chief spirits from the Cantonment but smuggled them into Mysore. I have since pointed out how such a procedure was irregular, and also that ethylated Spirits, which are much superior to those sold in the market, are manufactured in the Government Central Distillery and are available at the Bonded Depot, Mysore.

cheap?

2. The Palace Controller having expressed much inconvenience is at present experienced in the matter in getting the requisite supply of ethylated Spirits, and requested me to make necessary arrangements for the supply of locally manufactured spirits, I have issued instructions to the Deputy Commissioner, Mysore District, to arrange to issue from the local depot the required quantity of these spirits on indents received from the Palace Controler on pre-payment of the price thereon and I enclose a copy of the communication for information.

3. As the Palace Controler requests that the supply of ethylated spirits may be granted free of duty in as much as the same is required for bona-fide use in the Palace, I solicit the orders of

Government if the same may be done and if so, the necessary exemption may be kindly accorded under the proviso to section 17 of the Excise Regulation.
